

People in Lincoln love trees and often feel the need to give a gift of a tree back to the community, to honor or in memory of a loved one, friend or special event.

The Lincoln Parks Foundation is happy to announce Lincoln's Legacy Tree Grove program that allows people to give the gift of a tree to be planted in Lincoln's parks. For \$100, \$250 or \$500, you can be part of this new program that will provide for the purchase, planting and maintenance of a tree in perpetuity. The Lincoln Community Foundation will match the first \$50,000 in gifts. This match is made possible by two endowed funds held at the Lincoln Community Foundation: the Ken Good Environmental Enhancement Fund and the Marjorie Barstow Environmental Enhancement Fund. A Legacy Tree Grove will be planted at Antelope Park between the Liberty Bell Plaza and the Four Wars Memorial in the spring of 2010. Another Legacy Tree Grove will be offered at Mahoney Park.

A gift from the Ken Good Environmental Enhancement Fund at the Lincoln Community Foundation has provided the funding for the infrastructure of the Groves. A UNL graduate and USDA Soil Scientist, Good was a compassionate and generous philanthropist who wanted to share his love of parks, trees, gardens and flowers with others.
