Sandra Hilsabeck-Hastings, President
Lincoln Parks Foundation
2740 A Street, Box 20
Lincoln, NE 68502

Dear Sandy,

Ref: "A Night at the Gardens" essay.

The renovation of the Sunken Gardens was a monumental task for the Lincoln Parks and Recreation Department, the Foundation, and this Community. Many wonderful memories of the past were brought forward by this effort and new memories begun.

It is said a picture is worth a thousand words. To me, this picture, taken during the dedication, of my son, contemplating a garden scene, reflects his vision and that of many others and their total dedication to this project. All of them and the Foundation can be proud of this wonderful community attraction.
