Support parks and honor a friend or loved one, special memory or event.

One of the most gratifying experiences a donor can have is making a gift in honor or memory of a loved one or a special event in their lives. Many of our parks friends honor and memorialize their loved ones through memorials that serve as endowments to ensure our parks are properly cared for in the future. These endowments are lasting tributes to family and friends whose legacies will live on through the Lincoln parks and recreation system.

One Flower Forever – Sunken Gardens

One Flower Forever is a way for people to help support Lincoln's Sunken Gardens on an ongoing basis, in honor or in memory of a friend or loved one, or to celebrate events such as birthdays, anniversaries, holidays or random acts of kindness. For a one-time \$100 donation, one flower will be planted in honor of someone special at Lincoln's Sunken Gardens and will be annually replanted in the honored person's name 'forever.' A certificate with a personalized message and lapel pin will be sent to honorees, or their families.
